Guidelines for the Oral Presentations

Dear Authors,

We would like to inform you that the oral presentation of the final paper should be content-oriented and last 20 minutes in total (including 15 minutes presentation and 5 minutes question/answer).

The oral presentation should be based on the paper, as will be formulated after the last reviews, and not on the abstract.

The language of oral presentations is permitted to be the English.

A PowerPoint template for the oral presentation is already available at the Congress website www.ictr.gr.
